

Conditions of Use & Sale

Welcome to Sound Schooling. Sound Schooling provides access to the soundschooling.com website and sells our digital content to you subject to the conditions set out on this page.

Please read these conditions carefully before using the soundschooling.com website. By using the soundschooling.com website, you signify your agreement to be bound by these conditions.

Sound Schooling offers downloads of audio recordings (digital content).

This website or any portion of this website may not be reproduced, duplicated, copied, sold, resold, or otherwise exploited for any commercial purpose without our express written consent. All content included on the website, such as text, graphics, logos, images, audio clips and digital downloads is the property of soundschooling.com and is protected by copyright.

Purchasing digital content

When you place an order to purchase an audio recording from soundschooling.com, we will send you an e-mail containing the details of your order and how to download the audio file. The download link will remain active for 48 hours. Your order represents an offer to us to purchase digital content which is accepted by us when we send e-mail confirmation of your order.

Upon your payment for a purchase of digital content through the website, we grant you a non-exclusive, non-transferable right to use the digital content for your personal, non-commercial, entertainment use. You may copy, store, transfer and burn the digital content only for your personal, non-commercial, entertainment use. You must not redistribute the digital content. You acknowledge that the digital content is the intellectual property of Sound Schooling and is protected by law.

Returns

All sales of digital content are final and we do not accept returns. Once you have purchased digital content, we encourage you to download it within the specified 48 hour period and to make back-up copies of it. If you are not happy with your purchase or if you are unable to complete a download, please contact Sound Schooling at info@soundschooling.com. You bear all risk of loss after purchase and for any loss of digital content you have downloaded, including any loss due to a computer or hard drive crash, although of course we will endeavour to help you where possible.

Safety

Listening to content downloaded from Sound Schooling whilst riding may be potentially harmful if you do not follow our safety guidelines. By purchasing any product from soundschooling.com, you acknowledge that you have read and understood the safety guidelines outlined on the website and on the email you will receive when you purchase a ridden download from the website. It is your responsibility to ensure the safety of you, your horse and any persons or animals nearby.

Privacy Policy & Use of Cookies

This Privacy Policy outlines how we use any personal information that we collect about you when you use this website. We collect information about you when you place an order for our products. We may also collect information about you when you voluntarily complete surveys, provide feedback or participate in Sound Schooling competitions.

Sound Schooling will only use your information for processing your orders, and for communicating with you about relevant information or promotions that we think will interest you, where we have obtained your consent to do so. If you have given us permission to contact you for marketing, you can unsubscribe at any time by contacting info@soundschooling.com. Sound Schooling will not share your personal information for marketing purposes. In processing your order, we may send your details to, and use information from, PayPal and our web services company.

When anyone visits soundschooling.com, we collect standard internet log information and details of visitor behaviour patterns. We do this to find out things such as the number of visitors to the various parts of the site. We collect this information in a way which does not identify anyone. We do not make any attempt to find out the identities of those visiting our website. We will not associate any data gathered from this site with any personally identifiable information from any source. If we do want to collect personally identifiable information through our website, we will be up front about this. We will make it clear when we collect personal information and will explain what we intend to do with it.

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.
